### Snack

This is the morning snack rota for the next two weeks (please be aware that this sometime does change due to supply). There is enough fruit/veg for each child to have one piece per day. If you would like to provide a snack for your child it must be a piece of fruit or veg or it must be fruit and veg based.

### Phonics Screening Meeting

You should have received a letter inviting you to the Phonics Screening Check meeting being held on the 4th February. If, for any reason, you have not received one of these letters just let us know. If you are unable to attend this meeting, do not worry as a pack of information about the check and resources will be given to each child.

### Morning Routine

To make the morning drop off more efficient we are changing the morning routine for the beginning of the day. When the bell sounds, all children should make a line at the door ready to come in. Any parents wishing to briefly speak with a member of staff should wait to the side until all the children have gone in. A member of staff will then speak with you or book a meeting if required. We hope this will lead to a quicker entry into the classroom and allow the children to gain a little more independence.

Thank you!

The Year 1 Team 😊
