

## Welcome to Birch Class

Hello! I am Miss Buckingham and I am the teacher for Birch Class. I am so excited that you will be joining my class in September!

This is me!

I love drinking tea and going for long walks with my dog.

I love reading books and stories, talking about what I have read and my favourite parts.

I love playing golf with my family and friends.

A few of my favourite things...

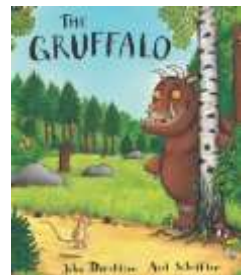

Cake- all types of cake!

Drinking cups of tea.

Anything to do with Disney!

My favourite book is The Gruffalo, I love reading it and using silly voices for all the characters!

I can't wait to meet you all in September!

From Miss Buckingham x
